# GET STARTED IN TECH
## 10-Week Coding Class for Local Adults

### LOCATION: OTHELLO-UW COMMONS, 4200 S. OTHELLO ST

#### FOUNDATIONS OF PROGRAMMING (PYTHON)

In this 10-week introductory tech course, you'll explore and practice programming concepts using Python. You'll learn how to think like a programmer and get hands-on experience creating simple programs.

Python is one of the most versatile, easy to learn and commonly used programming languages today.

#### S.E. SEATTLE CAREER SCHOLARSHIP

To help local people access in-demand tech skills, this course is supported by scholarship funds covering over 80% of usual UW course fees. Neighborhood House will cover the remaining amount.
