

Open House at Bellevue Medical Center

Making lives healthier in Washington. Put your talent and passion to work improving the health and well-being of others. From our members and colleagues to our families and communities, we provide high-quality affordable, and industry-leading medical care and health plan coverage to more than 700,000 members from Spokane to Seattle to Silverdale. As trusted partners in total health, our drive is to continually advance - but our motivation remains simple: we're here to make lives better.

An Inclusive Journey Where All are Welcome

At Kaiser Permanente, you'll find equity, inclusion, and diversity in all aspects of our mission. This is who we are at our core. It's a focus for our entire organization and it drives our work in the communities we serve.
